Licensee acknowledges that the licence fee reflects this allocation of risk. In any event, if any statute implies warranties or conditions not stated in this Licence Agreement, SIETS.NET's entire liability under any provision of this Licence Agreement shall be limited to the amount actually paid to SIETS.NET by You to license the software, or, in the case of Support Services, providing such Support Services again or refunding the cost thereof.

SIETS.NET may, at its sole discretion, extend the free technical support and upgrade period beyond the above-mentioned one (1) year date.

If the software is identified as an "upgrade", Licensee must be properly licensed to use a product, whether from SIETS.NET or another supplier, that is specified by

SIETS.NET as being eligible for the upgrade in order to use the software. Software identified as an upgrade replaces or supplements the product that formed the basis for Licensee eligibility for the upgrade. Notwithstanding any other terms and conditions of this Licence Agreement, Licensee may transfer the software only in conjunction with the product that formed the basis for Licensee eligibility for the upgrade, unless Licensee destroy such product. If the software is an upgrade from a component of a package of software programs which Licensee licensed as a single product, the software may be used or transferred only as part of that single product package and may not be separated for use on more than specified number of computer.

Any such modification shall not effect any provisions of this Licence Agreement in any other jurisdiction where this Licence Agreement governs the use of the software.

**NO WAIVER.** The failure to immediately enforce any provisions, rights or remedies under this Licence Agreement shall not constitute a waiver by the party failing to enforce such provision, even if the party failing to enforce such provisions, rights or remedies is aware of the other party's contractual breach.

**ARBITRATION.** The construction, validity and performance of this Licence Agreement shall be governed by and submitted to the laws of Latvia and the non-exclusive jurisdiction of the courts of European Union.
